

LEGION TO STAGE BENEFIT SHOW

PYTHIAN CHANCELLOR TO VISIT CITY

They Headline Legion Show; Local Talent Also Gets Spotlight in "Midnight Mystery"

Is there a nurse in the house? Well, there will be an entire chorus of them on the night of October 18 and 19 when Mrs. Pauline Eatmon presents singers, dancers and actors in the thrilling, chilling American Legion benefit play "Mystery At Midnight."

Reese Turner is Professor Rockbottom, an archaeologist; Miss Ethel Mae McCormick is Elvira Nosegay, an old maid, not too old, who falls

in love with the professor, rock and all; Bill Wallace takes on new dignity when he plays Judge Rollins, retired with \$50,000 cash money; Billy Cooper is Tom Foster, the villain, (who would have thought it?); and Gus Evans makes a fine hero as Ralph Norris, secretly married to beautiful Bonnie Baker, otherwise Miss Vivian Whites. Dear Dear, Mrs. Holloway of the Holloways is

Miss Billie Marek to the manner born. The handsome bus driver is no other than Curtis Lowe. The exotic East Indian medium is veiled so we can't tell who she is just now. The Stranger is still a stranger to us. We will have to see the play to find out who they are. The professor who finally detects all is Professor Stokes as Detective Briggs.

"WIZARD OF OZ" IS FILM HIGHLIGHT

The Cameron Theatre offers a variety of good entertainment in outstanding pictures over the week end, climaxing the program on Sunday with "Wizard of Oz," an all technicolor picture, which has been acclaimed by movie critics as one of the best of the year.

On Friday the Cameron features the last showing of "Adventures of Sherlock Holmes" with Basil Rathbone, Ida Lupino and Nigel Bruce. Saturday the lovable, rollicky "Dead End Kids" are featured with Margaret Lindsay and Roland Reagan in "Hell's Kitchen." The preview

Saturday night is "Everybody's Hobby" with Jed Prouty and Spring Byington playing the leading parts. The Milam Theatre offers for its regular Friday-Saturday program Buck Jones in "California Frontier" with another episode of "Overland with Kit Carson."

QUICK RESULTS

The Magazine "East Texas" in its current issue, discussing tax surveys, remarks that Milam county is one of the East Texas counties to have been benefitted by the tax survey. No tax survey has been made in Milam county.

WAR AGAINST HITLER AS CHAMBERLAIN REPLIES TO REICH; CZECHO SLOVAKIA AND POLAND MUST BE RESTORED BEFORE ALLIES WILL CONSIDER PEACE

The British have no confidence in Adolf Hitler or the German government and will not negotiate under any circumstance based upon the unsupported word of Hitler.

Neville Chamberlain, the British Prime Minister, in a speech to the House of Commons this morning, outlined the British reply to the so-called peace plea of Hitler, thus completing the answer of both France and England to Germany.

England and France will wage war until Hitlerism is destroyed or guarantees are put into effect which will end periodical aggression in Europe.

Mr. Chamberlain said the English government will make no peace with Germany until Poland and Czechoslovakia has been restored. He said the British were not fighting a vindictive war against the German people but to safeguard British interests and the lives of British people against high crimes, their independence and charged Hitler is un-

trustworthy and a proven breaker of treaties.

The speech went far beyond all expectations and indications are there can now be no misunderstanding on the part of Hitler. He must fight.

The government of Finland will fight Russia and the Finnish representative, summoned to Moscow, informed Stalin today that Finland would not yield to Soviet aggression. The little country has more than a million men and is preparing to sacrifice itself rather than yield to slavery to Red Russia.

The radio broadcast from Washington said that the United States government was framing a strong protest to Soviet Russia over the threatened Red army's occupation of Finnish territory.

On the western front increased fighting was in evidence and the Germans were reported to be constructing pontoon bridges over the Rhine and Saar Rivers.

Directs Play

Mrs. Pauline Eatmon of Kansas City, Mo., is in Cameron to direct the production "Mystery At Midnight," musical comedy drama, which will be presented October 18 and 19 in the High School auditorium. Proceeds of the fund will be used by the American Legion for their Community Chest fund.

A popularity contest is on in the schools. Popularity is based on Americanism as directed by the American Legion rules on Americanism. A cup will be presented to the boy and to the girl having the most votes Thursday afternoon at 4 p. m. when the contest closes. Votes are one penny, so everyone is urged to help the best boy and girl citizen in Cameron to win.

Dorothy Richter Is Band Sweetheart

Dorothy Richter has been elected sweetheart for the Yoe High School Band for the year. The announcement of her election to this honorary position was made after the ballots had been counted on Saturday night.

Dorothy received 26,251 votes. Ida Vogelsang was second high with 11,379 votes and Bernice Humbles was third with 8,825 votes. Dorothy is the daughter of Mr. and Mrs. Frank Richter and a popular student of Yoe High School.

J. B. PARNELL BURIED IN CAMERON MONDAY

J. B. Parnell, 46, died at his home in Cameron on Sunday, October 8, at 6:30 p. m. His death came as a shock to many friends here because although he had been ill for several months, he was thought to be improving and was able to be down town a few days last week where he talked with customers who came by his shoe shop to see him.

Mr. Parnell moved to Cameron from Durango in 1931, where he was employed by the Stewart Grocery. He later worked as a salesman for a Dallas firm and a few years later went into business for himself opening the Parnell Shoe Shop.

Mr. Parnell although having lived in Cameron only a few years, enjoyed a wide acquaintance and had many friends. At one time he served for a few months as deputy sheriff under R. M. Kennedy. When his health failed he gave up this association with the sheriff's office.

Mr. Parnell became ill about a year ago when he sought to reduce his weight with too strict a diet. He lost weight rapidly and his system was weakened when other complications set in and for almost a year he had not had normal contact with his business.

He was universally esteemed by the people of this community and at his old home in Durango.

Funeral services were held Monday afternoon at 3:30 from the family residence with Rev. V. M. Cloyd, pastor First Baptist Church, delivering the sermon. Interment was made in Oak Hill cemetery with Green Funeral Home directing. Services at the grave were under the auspices of the Knights of Pythias Lodge.

Mr. Parnell is survived by his widow, Mrs. J. B. Parnell of Cameron three brothers, Frank, Abner and Robert Parnell; two sisters and other relatives.

1940 OLDSMOBILES ARE ANNOUNCED HERE

Highly enthusiastic over the new Oldsmobiles for 1940, A. C. Mitchan, of the Mitchan Auto Supply, Oldsmobile dealer here, returned recently from the dealers preview meeting held in Houston.

"It's hard to imagine how they can make so many improvements each year," said Mr. Mitchan today. "The new Oldsmobiles are bigger and better looking in every detail and with a front end design that is by far the most attractive I have ever seen. The interiors, too, are the last word in good looks, luxury and comfort."

"More than that, this year Oldsmobile will introduce a revolutionary new mechanical advancement that is destined to be the greatest forward step in driving ease, convenience and safety since the invention of the self starter. It represents the final culmination of over 8 years of research and testing on the part of Oldsmobile and General Motors engineers."

"Oldsmobile executives are planning one of the most aggressive sales campaigns in the company's history and from what I have seen of the new models, I am confident that we will enjoy one of the biggest sales years in our history."

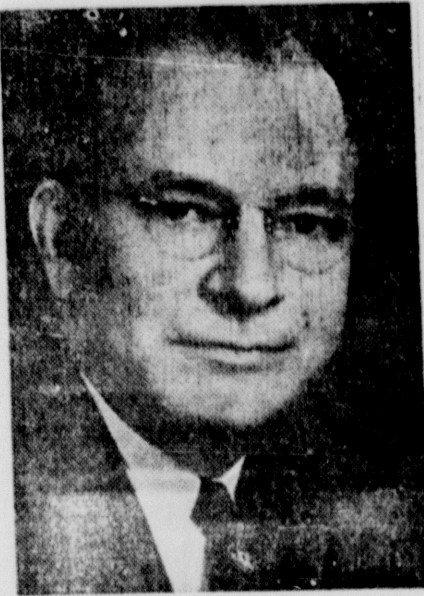

"The factory assembly lines at Lansing are running now and we expect to start receiving cars in the next few days which we will immediately put on display for the people of this city in advance of the national announcement."

"The story of the new Oldsmobiles can be summed up in a nutshell—'Bigger and Better in Everything, and Priced for Everybody.'"

The Commissioners' Court met in regular session here Thursday morning.

NEW CHEVROLET FOR 1940 HERE SATURDAY

Detroit, October 14.—Three completely re-styled series of Chevrolet passenger cars, combining greater length and width with much more massive appearance, and embodying many mechanical refinements, will make their formal public bow here Saturday at Grabein Chevrolet Co., salesrooms. Over-all length has been increased 4 3/8 inches, a change which makes the new line outstanding for its sleekness and grace.

Improvements, aside from styling, in which sweeping changes are made, include provision of Chevrolet's exclusive vacuum power shift as regular equipment on all models of all three series, helical synchro-mesh transmission with silent low and reverse (Turn to page 6)

Firemen Win In Races At Convention

Cameron firemen were well represented at the Central Texas Firemen's Convention in Lampasas on last Sunday. Members of the fire department who participated in the races won second place in the cart race and also the four-man race.

John C. Andres was elected first vice president of the organization for the ensuing year.

The next semi-annual meeting will be held in Llano next May. Cameron firemen have been invited to attend a firemen's celebration in Bellville on Sunday, October 22. The firemen plan to go and participate in the races and other events of the day.

LIONS CLUB CARNIVAL OPENS HERE FRIDAY

Cameron citizens are enthused with a carnival spirit.

The show opens at 4 p. m. Friday between Cameron-Haigh Corp., and Community Gas Co. The novel pet parade promises to draw one of the most interesting arrays of cats, dogs, birds, etc. The parade will be held at 7 p. m. Friday and each entry will be given a free admission to the carnival grounds. Winners will be announced inside grounds after the parade is over.

Another feature of the Friday night show will be a free floor show staged by a number of tap dancers and toe artists on the carnival grounds. This show is free to all the carnival goers. Cameron High School's Swing Band will entertain at intervals. The array of booths ranging from the country store down to the hamburger stands will offer every kind of entertainment.

No cash money will be used. Carnival goers will purchase paper money at the entrance to be used in the booths. The doors open on Saturday at 2 p. m. Saturday's feature will be the big bicycle parade. City (Turn to page 6)

Thos. Jefferson White Elected to Phi Beta Kappa at Rice Institute

Thomas Jefferson White, senior at Rice Institute, was among fifteen upper classmen elected to Phi Beta Kappa, national honorary scholarship society, Thursday afternoon.

White will graduate next June and is a major in chemistry. Grades on which students are elected to Phi Beta Kappa are based on three years work. He graduated from Yoe High School in June 1936 with honors.

During his freshman year at Rice Institute White was among the scholars and was eligible for scholarship but did not apply. In his sophomore year by reason of his high scholastic standing he was awarded the Hohenthal scholarship and as a junior received the Rice Institute award for the highest grades made among engineers.

He plans a career of research work and hopes to continue his courses at Rice Institute.

INTERCEPTION REPORTED ON MESSAGE REVEALS GERMANS MAY ATTEMPT TO REGAIN TERRITORY

A radio broadcast at noon today said a message had been intercepted from Hitler to his troops on the western front commanding them to take back all territory captured by the French and to push the invading armies back to the Maginot Line, no matter what the cost.

How dependable this information is, of course, cannot be ascertained at this time. It would seem safe to assume however, that severe fighting, if not already going on will break loose on the western front within the next few days.

It was said from French army headquarters that the allies are expecting a great German drive on the western front within the next week since all peace efforts have apparently failed and Hitler has been turned down flatly by France.

The diplomatic front was quiet to-

day and the war seemed to be turning to the employment of arms. The French reported that all German attacks had been repulsed but the Germans are attacking with increased intensity. The Germans were said by the French to have sustained heavy losses over a day and night of skirmishing in the Moselle Valley.

Germany will invade Belgium, Holland and Switzerland according to French sources which said that since Hitler has been rebuffed in his so-called peace plea, he must fight but cannot afford to attack France directly through the Maginot Line and must therefore invade neutral countries to get the French.

Aside from these developments there was no war news today but momentarily big events are expected as the Germans plan developments to drive the French out of Germany.

MRS. JOHN B. WOLF TO CELEBRATE 94TH BIRTHDAY IN CAMERON TUESDAY

Mrs. John B. Wolf will celebrate her 94th birthday on Tuesday, Oct. 10. She is the oldest resident in Cameron, enjoys good health and can be found most any day working in her garden and flower beds. The Wolf homestead, a sweeping two-story white house in southwest Cameron, is one of the early land marks of the city.

Mrs. Wolf was born in Arkansas. Her husband, the late John B. Wolf, died in February 1913. They came to Cameron from Arkansas in 1878. Captain Wolf was elected sheriff and tax collector shortly after his arrival here. He was also mayor of

Cameron and left a record of service to his community.

Mrs. Wolf will spend a quiet day tomorrow receiving congratulations from her friends and the affections of her children, one of whom is Penn Wolf, widely known citizen and district clerk.

Other children are Miss Nell Wolf and Wyatt Wolf who live in the home; Charles Wolf and Jno. O. Wolf of Lawton, Oklahoma; Thomas M. Wolf and Miss Minnie Wolf, teacher in Dallas public schools.

NEWS FROM
MILANO

Mrs. Alpha Mullins, 45, died at her home in San Antonio Wednesday morning, October 4, after a short illness of pneumonia. Her body was brought to Milano and interred by the side of her husband, the late Guy Mullins who preceded her in death 2 years ago. Mrs. Mullins was born and reared at Milano, her parents being Mr. and Mrs. Jim White. She had lived for several years in San Antonio. She had a host of friends in Milano who were grieved at her death. She leaves two daughters, Mrs. W. J. Burris and Mrs. W. J. Thomas of San Antonio; three sisters, Mrs. L. W. Caffey of Woodlawn, Mrs. Maude Smith of Oklahoma, and Miss Vivian White of Corpus Christi; two brothers, Horace and Claude White of Milano and two grand children. Funeral services were held at Milano Baptist church conducted by Rev. A. J. McCery, pastor. First Methodist church of Cameron. Phillips and Luckey Funeral Home directed. Floral offerings were many and beautiful.

W. H. Taylor carried about 15 boys in the vocational agriculture class to Buchanan Dam Friday for the week end. All reported a pleasant trip but not much fish.

Mr. and Mrs. Moore and two children, Mr. and Mrs. Manley and two children of Temple were guests of their mother here Sunday.

Several from here attended the rodeo in Huntsville Sunday.

Mrs. Lillie Robinson has returned home from Austin where she had been visiting her daughter, Mrs. Barber.

Mr. and Mrs. W. F. Hooker had a telephone call to come to Houston as their son in law, W. T. Burdick was

very sick in a hospital there. They left at once for Houston.

Mrs. R. E. Thweatt left Thursday for Luling to spend a month in the home of her daughter, Mrs. L. J. Eastwood.

Mr. and Mrs. R. Brennan and son, Nick spent the week end at Oenaville in the home of Mr. and Mrs. Ed Hess.

Mrs. R. L. Hilderbrandt spent last week in Houston visiting friends.

Mrs. Shirley Wadsworth left Thursday to visit her sister, Mrs. Hollis Riley at Freer. She plans to be gone about three or four weeks.

Mr. and Mrs. G. W. Hilliard and Mrs. Lee Braun were Taylor visitors Tuesday.

Mr. and Mrs. Willard Pierce are the proud parents of a new baby girl who weighs 9 1-2 pounds. She has been named Willma Louise.

Mrs. Milton Arrington of Thrall, Mrs. Lonnie Butts of Thorndale, Mrs. Luella Elam of Waco, Mrs. M. Hoyt of Hearne and Miss Arlene Hans of San Antonio were here Thursday for the funeral of Mrs. Mullins.

Mrs. H. Holiness went to Hempstead Thursday to visit her daughters, who are in school there.

Mrs. W. E. Thomas is a guest of her children at Wharton this week.

Mrs. L. H. Sparra of Bryan spent the week end in the home of Mrs. Ida Howes.

CAMERON LIONS GUESTS
OF ROSEBUD CLUB

The Cameron Lions Club presented the program at the noon day luncheon of the Rosebud Lions Club on Monday when Rev. Maurice Grove of the Cameron club gave the principal address speaking on various phases of Lionism.

Billy Balhorn and Roy Dunlap accompanied the Lions to Rosebud and gave several musical numbers which were greatly enjoyed. Others who went from Cameron were Rev. O. C. Acrey, Narvie Caperton, W. H. Stafford, Charles Brady, E. C. Cole and Mr. Bryan.

CAMERON B SQUAD PLAYS
ROSEBUD HERE TONIGHT

A meeting of any Cameron-Rosebud faction is always of great interest, and when the Cameron "B" Squad tangles with that of Rosebud tonight at 7:30 on the Yoe High Athletic Field, that meeting should prove no exception.

The B. Squad, composed of 23 light and very inexperienced boys, began work two weeks later than usual this year due to the fact that R. T. Patterson, Jr., B Squad coach, was assisting in A Squad work while Coach Wood was ill. Despite this fact and with only three days' practice, the boys met the Hearne B team here Thursday, September 28, and were able to hold that team to a 13 to 0 win.

Offensively, the team failed to function, but the defense was much better than was expected, especially so, considering the fact that for all the boys except one, the Hearne game was their first.

Dycus and Nicholson were outstanding on defense.

The probable starting line-up for tonight's game is:

Right EndTerry or Smalley
Right TackleWeems
Right GuardDycus
CenterHaigh
Left GuardNicholson
Left TackleAllison or Cryer
Left EndAranda
Right Half-BackEanes
Left Half-BackMatocha
Quarter BackFlores
Full BackPressley

Following is the complete schedule for the Cameron B Squad:

October 12Rosebud (here)
October 19Hearne (there)
October 26Belton (there)
November 2Thrall (there)
November 9Belton (here)

SIX-MAN FOOTBALL
AT 2 P. M. FRIDAY

A six-man football game will be played at 2 p. m. Friday on the Yoe Field between San Gabriel and Ad Hall. It will be remembered that these teams played last year.

C. T. Bridgewater, superintendent of the Ad Hall School, announced the game and is hopeful that local fans who would like to know more about the six-man game will attend this game Friday afternoon.

Judge Graham Gillis has been slightly ill at his home here for the past few days. Judge Gillis expects to be able to return to his office in a day or two.

Mrs. Tom Denson had as week end guests her son in law and daughter, Dr. and Mrs. G. W. Mennis of Dallas, and Mrs. John P. David and daughter, Saradel David of Dallas.

NEWS FROM
BUCKHOLTS

Steve Burtis was a business visitor in Houston the early part of the past week. His sister, Miss Mildred Burtis accompanied him home for a visit with other relatives here.

Mr. and Mrs. Cecil Criswell, D. R. Criswell and Misses Virginia Ray Ezzell and Frances Lawton attended the rodeo at Huntsville Sunday.

Mr. and Mrs. W. E. Wittenberg of Lometa and Kelly Robinson of Oklahoma City were recent guests in the home of Mr. and Mrs. Buford McMillion. Mr. Robinson is a brother of Mrs. McMillion and Mrs. Wittenberg.

Mrs. Vance Hopkins and three children of Houston were recent guests in the home of Mr. and Mrs. Bob Hopkins.

Mr. and Mrs. Oscar Benold of Schulenburg were week end guests of her parents, Mr. and Mrs. Henry Garlich.

Mrs. L. O. Wallace and son and her brother, J. B. McCrummin of Bay City were Sunday guests of their mother, Mrs. Barney McCrummin.

Miss Genevieve Walschak, student in State University, spent the week end with her parents, Mr. and Mrs. A. R. Walschak.

Mr. and Mrs. Hardy Scarborough were Sunday dinner guests of Mr. and Mrs. Bob Bailey of Cameron.

Mesdames Sam Mewhinney and W. P. Elliott shopped in Temple Saturday.

Miss Johnnie Williams, teacher in Oenaville school, spent the week end with her parents, Mr. and Mrs. Grover Williams.

Miss Melba Ruth Minnox was a week end guest of home folks in Holland.

Sam Oliver, freshman at A & M College, was home for the week end. John Baucom of San Diego, Calif., and Miss Mary Frances Elliott of Mary Hardin-Baylor College were guests of his sister and her mother, Mrs. W. P. Elliott on Tuesday afternoon of the past week.

Miss Liddie Mae Krall of Waco

was a week end visitor in the home of her parents, Mr. and Mrs. Joe Krall.

Mrs. J. A. Walschak and son, Lionel visited Miss Beatrice Walschak, a student in Texas University on Sunday.

John Corley of Del Rio visited his brother, S. M. Corley this week.

Miss Marie Machann spent the week end at Caldwell with relatives.

The condition of George McGehee, pioneer Cameron citizen who has been ill at his home for several months, is still regarded as critical but unchanged over the past few weeks.

O. H. CROSS WILL BE
SPEAKER TONIGHT AT
K. C. MEETING

Fomer Congressman O. H. Cross of Waco will be the principal speaker tonight at the Knights of Columbus hall when the local council observes Columbus Day with an appropriate program. A feature of the program will be introduction of Rev. Geo. J. Duda, new pastor of St. Monica's Church.

John C. Andres, Commander of the local council, this morning said the meeting is open to the public and the citizens here are invited to attend. The address of Mr. Cross is expected to be of national importance.

FALL

Round-Up!

The title of this little piece doesn't lead us into a song about the lone prairie where the wild coyotes howl; on the contrary, it's to remind you that it's high time you rounded-up your car and herded it into a Humble Station for the servicing it needs for trouble-free Fall driving... It's time to have your tires looked over, time to have your battery checked, your spark-plugs tested, your f.m.-belt looked at, your worn-out wiper blade replaced. It's time to clean and polish summer-dulled paint, it's time for a verified lubrication job, it's time to drain and change your crankcase oil... Humble Stations, you know, are fully equipped and the men carefully trained to keep your car running right and looking good. Round up your car under the nearest Humble sign—soon!

**SHARP HOME MAKERS
BUILD FRAME GARDEN**

NYA activities at Sharp include assistance in building a frame garden for the second unit of the Sharp Future Home Makers Club. The garden planned and built during the latter part of September, cost only \$2.65 including covering cloth, seed, wire and nails.

Scrap lumber was used for the sidings and tiles were laid for sub-irrigation. The tiles were made by NYA workers last year. Vegetables including carrots, beets, radishes, turnips, lettuce, mustard and parsley are already growing, being watched with interest and care by the entire school. Club girls plan to can and sell some of the vegetables.

**NEW FORD FOR 1940
IS ON DISPLAY HERE**

The new 1940 Ford V-8 was placed on display in the show rooms of the Hefley-Stedman Motor Company this morning.

Throughout the forenoon many people visited the Ford Motor Co. to see the new car.

Changes in the Ford include refinement as well as mechanical advantages, and Mr. Stedman was pleased with the public reception.

Mr. and Mrs. G. D. Reat of Yarrington were hosts to a forty-two party with six tables of guests on Friday night at their home. After a series of games had been played it was found that Mrs. Clarence Colburn held high score for the women and Joe Ford held high for the men. Refreshments were served at the conclusion of the evening.

A. V. Wokaty, local representative of the Great Southern Life Insurance Company, has qualified for the Great Southern Club, an honor club of his company. Qualifications are based on volume of new business and renewal persistency of previous business. Mr. Wokaty has won membership in this club three successive years.

He will be entertained at the company's expense together with other members of the club from the various states in which the company operates at a three day meeting in New Orleans on October 23, 24 and 25.

BURIED IN WACO

Funeral services will be held Friday afternoon in Waco for Mrs. Will Russell. Friends here will attend the funeral.

**EAST TEXAS CHAMBER
COMMERCE DIRECTORS
TO MEET HERE OCT. 26**

Cameron will be host to members and officers of the East Texas Chamber of Commerce, Thursday, October 26th, according to information received by W. F. Paden, Manager of the Cameron Chamber of Commerce.

The Cameron meeting will be the District 4 conference comprising the following counties: Bell, Ellis, Falls, Freestone, Hill, Leon, Limestone, McLennan, Milam, Navarro, Robertson and Williamson.

The meetings will begin at 10 o'clock and close about 2:30 p. m. The Chamber of Commerce in each of the host towns will arrange luncheon. President Perkins and all members of the East Texas Chamber of Commerce staff will be present.

These informal meetings have become custom in the East Texas Chamber and will afford an opportunity for first hand reports of work accomplished and for suggestions and discussions by the members. Directors, town councilors, presidents and secretaries of affiliated local Chambers, members and friends have been invited.

"Our work is progressing satisfactorily," Hubert M. Harrison, Vice President and General Manager, said. "We look forward to these group conferences each fall. The East Texas Chamber has always tried to keep in close touch with its members and local leaders and to have the benefit of their opinion. This is one of the great sources of strength of our organization."

**\$115,133.75 RECEIVED
HERE IN PARITY CHECKS**

A new shipment of parity checks received at the local AAA office brings the total up to 2543 checks for Milam county farmers amounting to \$115,133.75.

On Thursday 628 checks were received and on Friday a shipment of 324 checks were sent to the local office. It is estimated that one-third of the checks have been received and that the total payment to all Milam county farmers who complied with the government program will amount to approximately \$350,000.

Practically all cotton in this county has been ginned and cotton gins in some sections of the county have been closed down for the year. Something over 20,000 bales have been ginned which is about 10,000 bales less than the estimate at the beginning of the cotton picking season.

and daughter, Patsy of Dallas were recent visitors here in the home of her parents, Mr. and Mrs. Steve Macal.

**WHY SHOULD THE BAND
NOT HAVE OPPORTUNITY
TO VISIT HOUSTON?**

Cameron today stood in need of a better spirit of co-operation and support of its nationally famous high school band.

In receipt of an invitation to the city of Houston on October 14, where special courtesies are to be extended the Cameron band is in position not only to furnish an outstanding musical feature for the day through exclusive appearance in a concert directed by Francis Cox, but would give the city of Cameron outstanding publicity and good will.

Due to the fact that adequate transportation is not forthcoming, it was believed the band would have to abandon all hopes of accepting the invitation.

The Cameron Daily Herald regrets to note this lack of interest in the band which is one of the major civic assets of our city.

What is the solution? Must the band always be subject to the limitations of inadequate provisions such as the failure of the people to provide transportation? We could name a dozen Central Texas cities that would go to any length to provide these opportunities for their band if they had one comparable to the Cameron band.

The Cameron Daily Herald does not recall an opportunity within recent years so fraught with possibility for civic organizations including the

Chamber of Commerce, than the invitation extended by the city of Houston. We may need a shot in the arm or some quick awakening to get us out of our lethargy and alive to our opportunities.

RAINFALL

The official rainfall for Cameron on Monday night as reported by R. A. Tag, local observer, amounted to .21 inches.

ON TOP OF THE WORLD

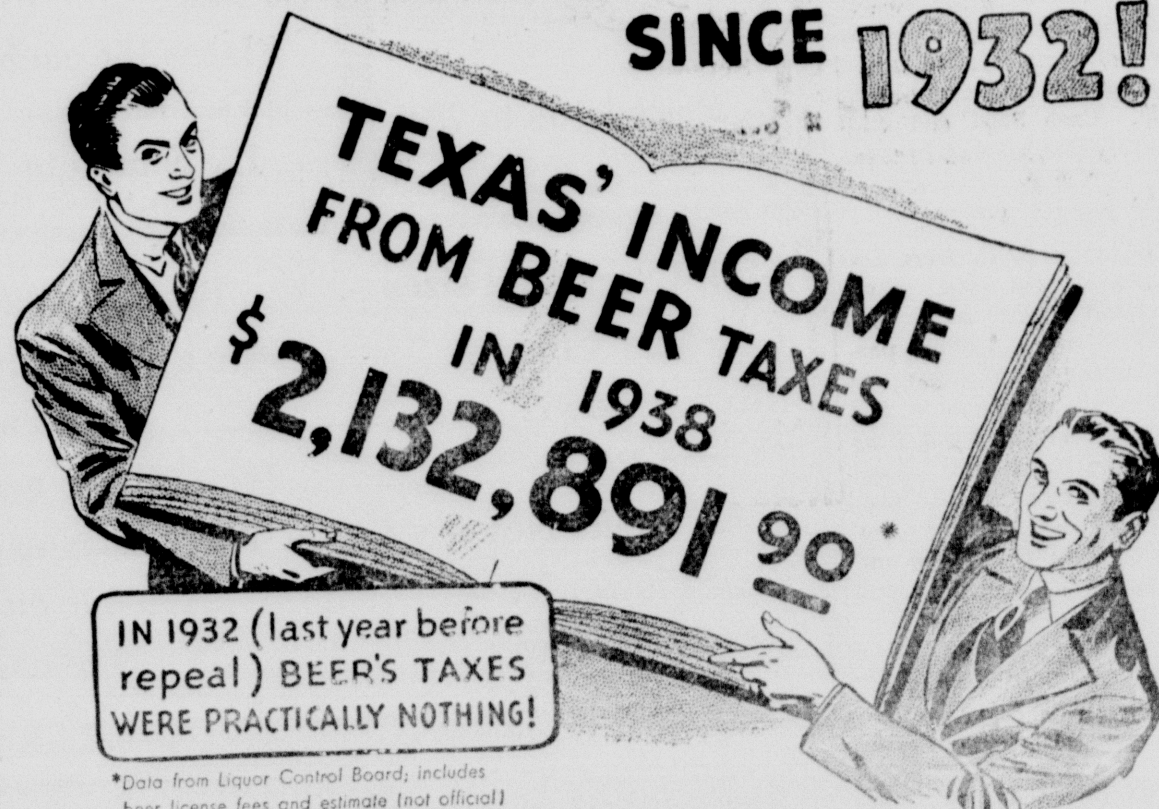

The confidence of a man and woman starting their lives together is a shining inspiration for everyone. Their future for years ahead is planned and charted, with hardly a thought given to the possibility that their dreams may not come true.

Yet, they realize full well that they cannot trust to luck alone. When they consider their plans with a more matter-of-fact view, they admit they must be prepared for the good things of the future, for sudden financial emergencies. They're sitting "on top of the world"—but they're down to earth because they save a part of the family income regularly. BEER helps even those who do not drink it! To the tune of a million dollars a day nation-wide, beer tax revenue reaches back into every community, to help pay for relief, for public works, for education... and to lift a burden that would otherwise rest directly on the taxpayers.

To this, add a million new jobs made by beer. And a 100 million dollar farm market.

How can we keep these benefits... for you and

for us? Brewers of America realize this depends on keeping beer retailing as wholesome as beer itself. They want to help public officials in every possible way. They cannot enforce laws. But they can—and will—cooperate!

verses as well as silent intermediate shafts, and numerous revisions affecting safety, comfort, convenience, performance, and long life. Knee-action and shockless steering are featured on the Special DeLuxe and Master DeLuxe series, conventional I-beam front axle with semi-elliptic springs and airplane-type shock absorbers being retained on the Master 85.

Except for the difference in front suspension and the use of a slightly higher gear ratio on the Master 85, the chassis of the three series are practically identical. All are of the same wheelbase, and the power plant is the same throughout. It is the valve-in-head engine, revised in several particulars in the interests of silent operation, smoothness and long life. These changes affect the oil system, the valve mechanism and the camshaft and in the two latter cases involve change in manufacturing practice as well as in design.

In appearance, the 1940 Chevrolet is new from bumper to bumper. Bodies, fenders, hood and frame are completely re-designed, to embody low-slung grace. These changes result also in increased stability, since they lower the center of gravity of the car as a whole. Changes, except for trim and extra equipment, are the same on all three series.

COLUMBUS DAY

Today is Columbus Day. October 12 has been set aside by most of the states of the United States to commemorate the discovery of America by Christopher Columbus on October 12, 1492. Columbus Day was first observed in Colorado but has since been adopted by 34 four state including Texas.

In Cameron today the banks were closed in commemoration of today 447 years ago when land was sighted after a long and discouraging journey westward in the hope of reaching India. The expedition reached a small island in the Bahamas on October 12, 1492 and Columbus named the island San Salvador.

Introducing Saturday's Voices to Followers of Humble Company's Football Broadcasts

FOOTBALL FANS throughout Texas know the voices of this quartet of announcers heard on Southwest Conference football broadcasts sponsored by the Humble Oil & Refining Company. Top, left, is Kern Tipp, whose reputation is national in scope; experts agree that Tipp is one of the

best football announcers in the country—many say the best. Next to Tipp, on the right, is all-America Cy Leland, who brings to broadcasting not only an ability to make a radio football game lively and interesting but also a knowledge of the game acquired by stellar play in the T. C. U. backfield in his college days. Bottom, right, is the picture of Hal Thompson, Station WFAA's sports authority; this is his third year

on Humble's broadcasts. Flanking Thompson is Eddie Dunn, genial and well known radio personality who entered his second year on the Humble Company's football broadcasts this season.

Lions

officials will head the parade. Prizes will be awarded funniest clown on a bicycle, the best decorated bicycle carrying out the carnival spirit and the craziest looking bicycle. This parade will be colorful. All bicycle entrants will be admitted free to the carnival.

Saturday's feature will be the Yoe High School Band stage's entertainment. Swing Band music, and novel events on the grounds at all hours. Gifts will be awarded every hour. Attractive gifts have been awarded by Cameron merchants for the big show.

The committee on Boys and Girls work of the Cameron Lions Club invites all Cameron and Milam county to attend the carnival.

COUNTY COUNCIL OF PTA WILL MEET IN BUCKHOLTS WEDNESDAY, OCTOBER 18

The County Council of the Parent Teachers Association will have its first meeting since the new school term opened, on Wednesday, October 18 at the Buckholts High School building. The session will begin at 10 a. m. and continue to 2 p. m. A covered luncheon will be served at the noon hour by members who are requested to bring their lunch with them.

Mrs. K. K. Robbins, former superintendent of public instruction for Milam county and now with the language and arts department of Ada Henderson School, will be the principal speaker for the day, selecting for her subject "Individuality," which will be given at 11:15.

Students in Mrs. Hugo Horstmann's room will render an interesting program in the afternoon and various schools of the county who have PTA organization will give programs during the day.

The program will be directed by Mrs. Grady Stidham, president of the County Council.

Friends here were surprised today to learn of the marriage of Miss Marie Jossey to F. E. Jackson on Wednesday evening. The wedding ceremony occurred at the home of Rev. and Mrs. Maurice Grove with Rev. Grove, pastor First Christian Church, reading the marriage vows. They will leave shortly for a wedding trip and will make their home in Cameron where Mr. Jackson operates a service station. Mrs. Jackson is the daughter of Lee Josy of Hearne and a nurse at the Cameron hospital. He is the son of Mrs. F. E. Jackson of Cameron. Mr. and Mrs. Jackson are receiving the hearty congratulations and best wishes of many friends here.

Friends here have received announcement of the arrival of James Ray Wood, born to Mr. and Mrs. J. C. Wood of Midland, on Saturday, October 6. James Ray weighed 7 pounds and 13 ounces and is reported in excellent health. Mrs. Wood is the former Miss Ada Mae Hinman, and lived in Cameron where she was assistant home demonstration agent for Milam county, until her marriage last year.

Suffering Women Welcome "Build-Up"

A simple method is saving many women much pain and discomfort! It is based on the knowledge that women's headaches, nervousness, and cramp-like pain often are symptoms of functional dysmenorrhea due to a weak, run-down, undernourished condition. That so many women find relief from these painful symptoms through the CARDUI "build-up" is easy to explain. By improving the appetite, assisting digestion and assimilation, CARDUI helps to build physical resistance against periodic pain. Thousands of women also report that CARDUI, taken just before and during "the time," helps to ease periodic pain.

1940 Chevrolets Make Their Bow

Three series of passenger cars, re-designed in the new "Royal Clipper" styling, and embodying numerous mechanical improvements to assure greater safety and comfort as well as finer performance, comprise Chevrolet's new line for 1940, introduced today. All series are much larger, overall length being increased 4 3/4 inches. The new exclusive vacuum power shift (lower left) is now regular equipment on all models of all series at no extra cost. Special De Luxe series, the Sport Sedan of which is shown at center, has a new T-spoke steering wheel with horn-blowing ring (upper right). Lower right, the 1940 Chevrolet six-cylinder valve-in-head engine, which has been improved for smoother, quieter operation, and extremely long life.

BIRTHDAY PARTY

Mrs. Wade Donaho honored her little daughter, Cecile, with a party on Monday, October 2, at the home of Mrs. J. S. Barmore, the occasion being the honoree's third birthday. Entertainment during the afternoon included active games played outdoors, drawing and coloring pictures, and story telling by Mrs. Monta Owen. The color scheme of pink and white was carried out in the reception rooms where floor baskets decorated in pink held plumes of pampas grass and bouquets of corona and dusty miller were placed at vantage points. Colorful balloons were also placed at various points. The children were invited into the dining room where the birthday cake, embossed with pink flowers and green leaves formed the centerpiece of the lace covered table. Sprigs of pink corona, dusty miller and fern placed around the cake added to its beauty. The children gathered around the table for the candle lighting ceremony. Gifts were opened and displayed. The guests were then presented with personal favors. For each girl was a tea apron with her name embroidered on it, and for each boy a handmade monogrammed handkerchief. Pictures of the little folks were taken both indoors and out. Refreshments of ice cream and cake were served. The invited guests were: Carolyn, Jack and Marguerite Massengale, Barbara Hollingsworth, George and Bobby Owen, Beverly Freeman, Carl Cooper, Dorothy Jane, Mary Lou and Wallace Massengale, and the honoree.

FIREMEN WILL OPPOSE SWIMMING POOL HERE

Cameron volunteer firemen have started a city-wide campaign to oppose the city's announced intention to build a swimming pool, it was announced here this morning.

The firemen will present the city with a petition on next Tuesday night and will ask the city not to build a swimming pool but instead to contract for a city hall to give the firemen a place to meet and to provide better facilities for the fire fighting equipment.

The firemen also have in mind what many other citizens have been advocating for a number of years, the construction of a municipal auditorium of sufficient size to provide public assembly space to be used by the public.

"Build-Up": Way to Ease Women's Pain

Many weak, run-down women are in a vicious circle. Their under-nourishment often leads to what is called functional dysmenorrhea and its symptoms—headaches, nervousness, irritability, intermittent cramp-like pains—from which many women suffer. Surest way to break the vicious circle is by building strength and energy, which so many find may be done with the help of CARDUI. It stimulates appetite, aids digestion, and thus helps in this "build-up" of physical resistance. Women also report that, if taken just before and during "the time," CARDUI helps to ease the pain and discomfort of the period.

NEWS FROM
BEN ARNOLD

Ben Arnold and Maysfield boys combatted in two games of ball Friday afternoon, October 6, at Maysfield. They played basket ball and soft ball in which Maysfield won. Maysfield is to return the game Oct. 10, at Ben Arnold. Ben Arnold is hoping for a better game.

The Ben Arnold girls played soft ball at Maysfield Friday. Maysfield won by a score of 2 to 1.

The Ben Arnold girls organized a year-round club. The officers are as follows: Bessie Mae Sweet, president; Elnora Laird, vice president; Bobby Lou Henderson, secretary; Pherril McElwrath, Selma Lee Folschinsky and Mary Nell McKinney are on the entertainment committee.

Miss Pherril McElwrath was chosen Duchess to represent Ben Arnold Thursday night. Clarence Strickler was chosen Duke.

CATHOLIC STUDY CLUB ORGANIZED HERE

Johnny Andres was guest speaker at the session of the St. Monica's study club at Burlington on Monday night when it met in the study rooms of St. Michael's School.

Among the new study clubs organized by St. Monica's Catholic church is the one in Cameron which meets at the St. Anthony school twice monthly on Tuesday and Friday nights. This club under the sponsorship of the pastor of St. Monica's and other departments of the church is creating much interest among the members and is reported to be offering many advantages not had prior to its organization.

CHILDHOOD AND YOUTH WEEK
FIRST METHODIST CHURCH

Methodist throughout the nation will observe Childhood and Youth Week October 15-22. Life has its beginning in the home. Character is largely determined by the examples, training and influence of the home. Hence, the citizenship of tomorrow will be the product of the home of today. So this week is designated as a time for all fathers and mothers to give serious and prayerful thought to "My Home, What Can Be Done? and what I am doing, to prepare and safeguard my children for the future?"

The program for the week includes home visitation by church school teachers. On Wednesday evening at 7:30 a meeting for all parents who are asked to bring a sandwich supper. Mrs. R. L. Batte will deliver the principal address on "Religion as

a Resource for Parents" after which there will be a round table discussion between parents and teachers on the Home and the Church School. All parents are urged to co-operate in this program. The morning service on October 22, will be dedicated to the Home. Also the Board of Education has designated October 22, as Rally Day for our Church School when we will work for a record of attendance.

A. J. McGary, Pastor.

Mr. and Mrs. Edgar Henry of Mrs. C. S. Christian of Rockdale were Cameron visitors Tuesday afternoon.

Bill Alex Bonds, county tax assessor and collector for Milam county, is reported improving after a short illness although he is still in bed and unable to be at his office.

ROSEBUD MAN LOSES MONEY; CLAIMS HE WAS ROBBED AT DANCE HALL

Leonard Ford of Rosebud was released from jail here on Friday after he had been arrested by Deputy Clarence McCall on Thursday night after Ford claimed he had been robbed of \$20 on the dance floor of a local beer saloon.

Deputy McCall said Ford admitted on Friday that he may have lost the money before coming to Cameron. No charges were filed. He was arrested while an investigation was conducted to ascertain whether or not he had been robbed. Deputy McCall was called by Clarence Ford brother of the Rosebud man, who was in Cameron with him.

Judge Jeff T. Kemp and Mrs. Kemp attended the Southwestern University Centennial Homecoming in Georgetown Saturday. The meeting of students, ex-students and guests began this morning at 10 a. m. with a chapel program with highlights for the day including a barbecue at 5 p. m. and a football game tonight between the Southwestern Pirates and St. Edward's Tigers of Austin. Judge Kemp attended college at Southwestern.

ROAD IMPROVEMENT PROJECT BEGUN AT YARRELLTON

An approximately \$20,000 WPA road improvement project was begun in the Yarrellton district this week, it was reported here today by B. M. McMillion, commissioner of Precinct 1.

Mr. McMillion said the project employed 60 workmen and the work would include widening the road at various points, ditching, bridge improvements, regrading in needed places and various other improvements.

W. E. Driskill, Deputy State Superintendent, has notified the office of the County Superintendent that he expects to be in Cameron on or about October 12 to begin visits with the rural aid schools of Milam county. Mr. Driskill will probably be in the county at least a week or until all the rural aid schools have been visited.

WALKER RETURNS HOME AFTER TREATMENT HERE

Lilo Walker of Branchville has returned to his home following treatment here by a local physician after he was taken from the county jail Monday morning.

Walker, it was said, cut himself severely about the arms with a broken milk bottle in his cell in county jail. He was placed in jail about 10 o'clock Sunday morning but no charges have been filed against him.

The Daily Herald encountered considerable difficulty in getting even these meager facts but feels at liberty to print this additional information following the story of yesterday.

TRANSPORTATION RULES CHANGED BY BOARD

Two rulings regarding bus transportation of school students passed by the Joint Legislative Advisory Committee in Austin when it was in session on October 5 and 6, which will be of especial interest to school officials, are as follows:

All students between the ages of 18 and 20 inclusive riding busses 2 1/2 miles or more who are eligible to have their tuition paid and are otherwise eligible to have their transportation paid, will have their transportation paid by the state.

No child whether transferred out of his district or not and whose grade is taught in his home district, may ride any bus supported by the state, out of his district to another district except he get a written permit signed by the local trustees approving him to ride out of his district. This permit must be given to the bus driver who in turn presents it to

the receiving school, and they mail it direct to the office of the county superintendent. Failure to conform with this ruling would tender the bus unit ineligible to participate in the transportation funds.

MAN TAKEN FROM JAIL WITH ARMS BADLY LACERATED FROM BROKEN MILK BOTTLE

Lilo Walker was taken out of Milam county jail sometime between Sunday night and Monday morning for treatment, both arms being badly slashed.

Walker is said to have cut himself severely with a broken milk bottle. How he obtained the milk bottle was not made clear and officers would make no further comment. It was not known how severe were his wounds.

Walker was placed in jail Sunday morning but the Daily Herald could not find out whether any charges had been filed against him as the sheriff's office was vacant most of the forenoon.

APPLICATION FOR NAVY ENLISTMENT TO BE RECEIVED HERE

Cameron will be visited monthly in the interest of the expansion program of the United States Navy which will be increased by 35,000 men as quickly as possible, it was announced today by W. H. Pittman, Chief Boatswains Mate Recruiter in charge of the U. S. Navy Recruiting Station located in the old post office building in Austin.

Applications for enlistments will be taken daily at the Austin office. For first enlistments, the age limit is 18 to 31, term of enlistment is six years. Ex-members of the Army, Marine Corps and Coast Guard with creditable discharges, if they are under 35 may be accepted even though they have been out of service

three months.

Recruiting instructions regarding re-enlistments are as follows: Broken service men, discharged under honorable conditions, who are in all respects qualified and have been out of service less than 8 years will be accepted in the same rating as that held when discharged. Men out of the Naval service more than 8 years, who are less than 35 will be accepted as seamen first class or firemen second class, term of enlistment 4 years. Men who have been discharged by Special Order will be referred to the Bureau.

CHRISTIAN SCIENCE SERVICES

"Doctrine of Atonement" is the subject of the Lesson-Sermon which will be read in all Churches of Christ, Scientist, on Sunday, October 15.

The Golden Text is: "If any man sin, we have an advocate with the Father, Jesus Christ the righteous" (1 John 2:1.)

Among the citations which comprise the Lesson-Sermon is the following from the Bible: "Blessed are they which are persecuted for righteousness' sake: for their's is the kingdom of heaven" (Matthew 5:10.)

The Lesson-Sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "Trials teach mortals not to lean on a material staff,—a broken reed, which pierces the heart. We do not half remember this is the sunshine of joy and prosperity. Sorrow is salutary. Through great tribulation we enter the kingdom" (page 66.)

William Brock of Gause was a business visitor in the office of the county superintendent this morning.

Poultry Hints

"Clean up and fix up" is now the order of the day. Hens and pullets must be comfortable housed under sanitary conditions if they are to do their best. Now is the time to clean up and fix up the layhouse for your flock of pullets. Pullets should never be housed in the same house with old hens. The old hens will peck and fight the pullets and thereby keep them away from the mash hoppers and drinking fountains. The timid pullets will not have a chance and therefore will not fully develop. All undeveloped and poor in flesh pullets should be culled out. Attention should also be given toward setting up a very necessary safeguard against roundworm infestation. Tack some small mesh poultry wire to the underside of the roosts just above the dropping boards. Cover the entire roosting space with netting in order to keep the birds from coming into contact with the droppings.

The old hens need your very careful attention at this time of the year.

Many flock owners make the mistake of not caring for their old hens during the Fall moulting period. At this particular time the old hens are ending a year of egg production during which time most of their vitality has been used up in producing these eggs. Growing new feathers during the moulting period requires still more vitality. Egg production is on a decrease and now it seems to be a rather expensive business to continue feeding high priced egg mash. Never has it been so important in the life time of the hens to feed and care for them properly as it is just at the time. If old hens are properly fed they will go thru a moult much faster and many of them will not go out of production. If you discontinue the egg ration during this period of poor production you will find that it will cost you much more to get them back into production than it would have had you fed them properly during the entire period.

To encourage consumption of egg mash hens may be fed mash at noon to which a good condition power should be added occasionally. This will help keep down roundworms and keep the hens on feed. If your flock is infested with worms now is the time to deworm them.

Green feed is very assential for

poultry health and high egg production during the Fall and Winter months and at this time the land should be prepared for that crop of oats or barley.

Europe's War Affets Gas Utility Business

The scourge of war, lashing at the foundation of European civilization, is already affecting the gas utilities of the Southwest. D. A. Hulcy, executive vice president of Lone Star Gas Company, told more than 400 managerial employees in Dallas where they attended the annual Lone Star Gas System meeting from which Richard Bush, local gas company manager, has just returned.

"The company is already paying advanced prices for metals used in war materials, particularly steel, which is the principal material used by gas companies for long distance transportation and local distribution systems," Mr. Hulcy told the assembled gas men. "This naturally boosts operating costs. Other materials rapidly consumed by war are swinging up, and we anticipate advanced taxes as direct and indirect result of war."

"While the war affects everyone in

rising prices, the gas utility, only utility under Texas State regulation, cannot voluntarily meet this increased operation cost by increasing prices of its product as do other businesses," Mr. Hulcy said. "To make our fixed revenue stretch to increased operating costs, we must practice even greater economy than ever before, short of injury to customer service."

"While it is true that we may benefit from increased industrial and agricultural activity, this increase in business will fall far short of balancing the added costs; and our company will not benefit to any degree near that of similar companies in highly industrialized centers of the east."

Key men of Lone Star Gas System from Texas and Oklahoma met in Dallas to complete plans for customer heating demands during winter months.

THORNDLAKE MAN CHARGED WITH DRIVING CAR WHILE INTOXICATED

Charges of driving while intoxicated have been filed here against John Olbrich of Thorndale. Olbrich was arrested by Fred Gant, constable of Precinct 8, and brought to Cameron. His bond has been set at \$500.

QUAIL CONSERVATION PROJECT PLANNED

Proposed plans for a quail conservation project in the Elm Creek Watershed between the farms, the Game, Fish and Oyster Commission, and the Soil Conservation service are to be discussed at the North Elm School, 6 miles north of Cameron, Tuesday night, October 9th, at 8 p. m.

Dr. A. J. Nicholson, regional game manager, will outline the possibilities of the program. All farmers in the area can participate in the program and are urged to attend the discussion as well as the sportsman in nearby towns.

G. N. Elmore of Hanover made a trip to Cameron on Thursday.

Jeff D. Nisbett, prominent farmer of the Salem community who has been seriously ill for the past several weeks, is reported at this time to be improving. Friends here were happy to learn Mr. Nisbett's condition is not as serious as first reported.

Miss Frances Terry, with Texas Power & Light Company of Waco, spent the week end here with her parents, Mr. and Mrs. Bob Terry.

Announcing THE NEW FORD CARS FOR 1940

22 important improvements, added to fundamental Ford features, represent the most advanced engineering in the low-price field

WHAT do the Ford cars for 1940 offer to match their brilliant new beauty? New comfort, convenience, quiet, safety—and the roomiest, richest interiors ever designed for a Ford car.

They have a host of interesting new features. Finger-Tip Gearshift on the steering post. An improved transmission, unusually easy to shift. New Controlled Ventilation. Improved shock absorbers. Softer springs, improved spring suspension and a new ride-stabilizer.*

A combination of new features makes the new cars quieter in operation. They have big, powerful hydraulic brakes. They have new Sealed-Beam Headlamps that are safer, stronger and stay bright longer. They have the famous Ford V-8 engine (85 hp in the De Luxe Ford. Choice of 85 or 60 hp in the Ford) — which blends 8-cylinder smoothness with economy.

You've never seen cars with so much performance, style and comfort at such a low price. Get acquainted. You'll enjoy the experience!

granite and aluminum were considered in good and bad buys. According to inspection it was proven that aluminum ware does not lead to cancer as many folks believe.

New officers for the coming year were elected, namely: Mrs. Ben Kleypas, president; Mrs. Ed McAtee, vice president; Mrs. Bill McSherry, secretary-treasurer; Mrs. Chester Rogers, reporter; Mrs. Jerome McAtee, council representative; and Mrs. Bill Faulkner, program committee. The hostess, Mrs. Bill Faulkner, served a delicious plate of chicken sandwiches, cakes and punch to 12 members and two visitors, Mrs. Bill Wunch and Anna Margaret Lamb. The next meeting will be in the home of Mrs. Lamb.

Mrs. Otto Schuetze, Jr., reporter.

A beautiful morning wedding was solemnized Tuesday morning at 8 o'clock at St. Monica's church when Miss Ludy Bolf became the bride of Edward Necas, Rev. Father George Duda reading the ring ceremony.

The bride is the daughter of Mrs. Alouise Bolf of Buckholts. She was attractively dressed in white bridal satin fashioned in princess design in full length with sweeping lace veil caught up with lilies of the valley and carried a bouquet of white carnations. The bridegroom is the son of Mr. and Mrs. Antonio Necas of Temple and wore the conventional black suit. Attending the bride and groom were Misses Lillian Zavodny,

Estelle Sulak, Lidia Kominsky, Angelina Koehler, Shirley Baca, Messers. Antonio Necas, Rudolph Dana, Ed Tyroch, Johnny Stepan. A wedding breakfast was served at the home of the bride's mother, also a luncheon for the bridal party, and in the evening a large circle of friends attended the supper given, followed with a dance at Sefcik's Hall. Mr. and Mrs. Necas will make their home in Dallas.

Mrs. Marvin Pugh of Rockdale visited friends in Cameron Monday afternoon.

BOY SCOUTS WILL HOLD COURT OF HONOR HERE ON NOVEMBER 1

Plans were made for a Court of Honor to be held on Wednesday night, November 1, at the Yoe High School auditorium when Troop 53 of the organization of Boy Scouts met on Wednesday night for their regular business and social hour.

Narvie Caperton, Scout Master, said it was first suggested to have the Court of Honor at Rosebud but was later pointed out to be more advantageous to have it in Cameron because of its more central location. This Court of Honor will be a district affair and includes troops from Rockdale, Thorndale, and Rosebud as well as Cameron.

The Court of Honor will be under the direction of Charles Rutledge, Field Executive of Temple. Scouts will be awarded merit badges

STATE SERVICE OFFICER HERE OCTOBER 19

Ed Fenton, State Service Officer of Palestine, will be in Cameron all day on Thursday, October 19th at the Chamber of Commerce to assist war veterans and their dependents with their claims, according to a communication received this week by H. B. McClellan, Service Officer of the local American Legion Post.

It is requested that all who call bring their army discharges, and any other letters or papers pertaining to their claims.

All veterans, Gold Star mothers and fathers and veterans' widows who have claims against the Veterans' Administration are invited to avail themselves of this service.

Recent legislation has liberalized the pensions of Gold Star Mothers and widows of veterans in certain cases.

DR. ARTHUR STOUT IS ROTARY SPEAKER WEDNESDAY

The stirring address of Dr. Arthur Stout, juvenile authority and probation officer of the city of Waco, was praised today as the most vitally important speech yet heard by Cameron Rotarians.

Dr. Stout related a story of his experience in dealing with juvenile crime and his talk so touched the members, he was allotted extra time, breaking a Rotary precedent, and will be invited back to the city at some future date for a more extended hearing.

Chief of Police Maxey of Waco, one of Texas' noted peace officers, came to Cameron with Dr. Stout and was an honored guest along with Mr. Cooke, referee in bankruptcy in the Federal Court at Waco.

Dr. Clifford Swift was program chairman for the day.

Public Entertainments

FARM CLUBS NEWS

On Sunday afternoon, October 1, Miss Lydia Swoboda of Clarkson together with Mrs. Jack Ruzicka and Mrs. Emil Swoboda entertained with a miscellaneous shower for Mrs. Emil Lanick, formerly Miss Lillian Otahal. After playing several games awards were given to Mrs. Gus Jahns, Misses Cora Mae Jahns and Hilda Holcek who in turn presented them to the bride. The bride then took a chair in the center of the room where she opened many beautiful and useful gifts, thanking each one in her own charming manner. Each guest wrote a verse wishing the bride and groom good luck in the bride's book. A delicious plate lunch consisting of sandwiches, cakes, cookies, potato chips and punch were served to Mesdames John Matyastik, Louis Skala, Frank and Lawrence Janicek, Jim Hawk, Charles Engel, Pimpler, Henry Ritchert, Emil Swoboda, Jack Rusicka and Misses Marcella Janick, Louise Otahal, Lydia Swoboda, Hilda, Mary and Agnes Holcek, Florence, Cora Mae, and June Jahns, Lillie Lanick and the honoree. Many who could not attend sent lovely gifts.
